TOWN HALL DEDICATION ON SATURDAY

Rain or Shine, Unity Day Will Be Held Inside or Out

Whether it is sunny or raining this Saturday, the Town Hall Dedication and Unity Day will still be held. If the weather is good, the event will be held outside and if not, the historic event will be moved inside. Either way, this is an occasion not to be missed. So come one, come all on Saturday, September 27th from 12pm to 4pm. The event is free.

CHECKBOOK TO BE AVAILABLE ONLINE

Mayor Announces All Town Checks Will be on Website

In an ongoing effort to create a more open government, Mayor John DiDonato announced that every check the Town issues will soon be listed online. This newest initiative will allow even more access to the Town's finances. The vendor name and amount will be listed and as the program expands more information will be added, including the details of each check. In these tough economic times, Hammonton First is watching every penny spent and now you can watch what is spent too. It's coming soon to the Town's website.

"GREEN DAY" A HUGE SUCCESS IN TOWN

A Good Time Was Had By All That Attended the Event

The Town's Green Committee, which was established by Mayor DiDonato earlier this year, held the 1st annual "Green Day" at the Hammonton Lake Park on Sunday. The event brought out families for a day of entertainment and environmental education in the great outdoors. Congratulations to Susan Gietka and the active members of the Green Committee that made this entire event possible. We're looking forward to next year!
